Dear Friends,

Thank you for joining us and for your incredible support. Father Joseph Walijewski, our founder, followed a call from the Holy Spirit that led him to the priesthood and to mission work in Bolivia and Peru and then culminating in the founding of Casa Hogar Juan Pablo II.

Father Joe guided Casa Hogar for the first 14 years and prepared Father Sebastian to continue and develop this mission of preparing the next generation of children to be the moms and dads of tomorrow. Now I have had the privilege to continue this mission for the past 6 years working closely with our teams in Peru as well as with all of you in La Crosse.

Through your prayers, support and the involvement of so many volunteers we are able to give hope and transform the lives of children and families who

otherwise would not have the means to obtain an education nor formation to better their lives.

Tonight, we would like to share with you some of our highlights from this past year at Casa. This includes what we are doing as well as stories from the children about how our life here changes hearts. This is our time to thank you for all you do for our children and their families and the many others whose lives are impacted by your outreach as members of the Casa family. Hopefully this evening will help all of us to renew our commitment to the Lord and to one another as we face the new challenges in our future.

In Christ,

Msgr. Joseph Hirsch, Executive Director

Casa Hogar Juan Pablo II

Father Joe's legacy inspires us and directly lives on at Casa Hogar and through the Diocese of La Crosse. We are excited to introduce additional opportunities to join the Guild efforts this year in order to help advance his Cause and live out Padre Jose's missionary spirit.

Our Vision

Embodied in the entrepreneurial missionary spirit of Fr. Joe anchored by Casa Hogar Juan Pablo II children's home in Peru and nurturing the concept of reverse mission, advancing his Cause for Canonization and increasing the appreciation of Fr. Joe within our Diocese including parish life, evangelization, catholic education and charitable works.

“

The children and all of the staff at Casa Hogar showed me what it means to face challenges head on and not be defined by others' presumptions. These are the **toughest kids I've ever met** and they taught me how to balance toughness and tenderness. The **staff taught me how to love others, serve others, and be a good influence** in an intentional way. They changed my life by showing me that a **life spent serving others is a life well spent...** I would not be a teacher if it were not for these kids AND their family teachers! Serving at Casa has meant **realizing that I can not do much on my own**, but surrounded by the love of 64 kids, we together can sure do a lot.
